What data do we collect?

- **Mailing List** - We collect the following data:
 - Name
 - Email address
- **Database** - We collect the following data:
 - Name
 - Email address
 - Phone number
 - Company
 - Role
 - LinkedIn address
- **Case Study & Impact Assessment** - We collect the following data:
 - Name
 - Email address
 - Phone number
 - Age
 - Location
 - Job-status
 - Stories, quotes, photos, videos, and background notes
- **Media** - Photos or Videos (whether you are central or in the background)
 - Please see our Media Policy [here](#).

How do we collect your data?

You directly provide Period Reality with most of the data we collect. We collect data and process data when you:

- Sign up for our newsletter
- Register for any of our programs, webinars or trainings
- Participate in our case studies or impact assessment
- Voluntarily provide your information to a member of our team for the purpose of future communications

We also collect your data indirectly from the following sources:

- LinkedIn

How will we use your data?

Period Reality collects your data so that:

- As a member of our community, we can;
 - Share our newsletter, "Periodics", if you are subscribed to our mailing list.
 - Keep you updated with relevant programs if you sign up for such updates.
- When we collect your data for research, we can;
 - Analyse your data for the research project in which you are taking part.
- As part of our cycle-tracking program;
 - After completing our three-month tracking phase and the subsequent evaluation, we will continue to store the collected tracking data anonymously and delete your identifying data. The tracking data can then no longer be associated with you.
- Case studies/ impact assessment reports;
 - We will analyse your information, stories and/or quotes and include them in reports to share with funders and our wider community.
 - Period Reality's case study consent form, allows you to choose to have your story/quotes shared anonymously; without your name and/or identifying features/information photos and videos.

We will not share your data with other companies or individuals without your explicit consent.

How do we store your data?

- Period Reality stores your data on a cloud server with restricted access.
- Period Reality will continue to keep your data
 - If you are subscribed to our mailing list, or you have given express consent to keep up to date with relevant Period Reality programs.

- you may always opt out at a later date by unsubscribing to our newsletter or sending us an email at hello@periodreality.org.
- As part of our cycle-tracking program/research
 - We will keep your personal identification information for the time of the tracking programme until the completion of the subsequent evaluation.
 - Once the evaluation period concludes, we will delete your personal identification information and store the collected tracking data anonymously.
- For our Case Study & Impact Assessment Reports;
 - Period Reality may use content featuring individuals (including photos, videos, audio recordings, stories, quotes, or artwork) for as long as it remains relevant to our charitable purposes.
 - When content or associated personal data is no longer relevant to our charitable activities, we will securely delete it in line with GDPR policies.

What are your data protection rights?

We would like to make sure you are fully aware of all of your data protection rights. Every user is entitled to the following:

- **The right to access** – You have the right to request Period Reality for copies of your personal data. We may charge you a small fee for this service.
- **The right to rectification** – You have the right to request that Period Reality correct any information you believe is inaccurate. You also have the right to request Our Company to complete the information you believe is incomplete.
- **The right to erasure** – You have the right to request that Period Reality erase your personal data, under certain conditions.
- **The right to restrict processing** – You have the right to request that Period Reality restrict the processing of your personal data, under certain conditions.
- **The right to object to processing** – You have the right to object to Period Reality's processing of your personal data, under certain conditions.
- **The right to data portability** – You have the right to request that Period Reality transfer the data that we have collected to another organisation, or directly to you, under certain conditions.

If you make a request, we have one month to respond to you. If you would like to exercise any of these rights, please contact us via our email: hello@periodreality.org.

Privacy policies of other websites

Period Reality website contains links to other websites. Our privacy policy applies only to our website, so if you click on a link to another website, you should read their privacy policy.

Changes to our privacy policy

Period Reality keeps its privacy policy under regular review. You will be informed of any changes to our policy. This privacy policy was last updated on the 1st of July 2024.

How to contact us

If you have any questions about Period Reality's privacy policy or the data we hold on you, or you would like to exercise one of your data protection rights, please do not hesitate to contact us via our email: hello@periodreality.org.

How to contact the appropriate authorities

Should you wish to report a complaint or if you feel that Period Reality has not addressed your concern in a satisfactory manner, you may contact the Information Commissioner's Office [here](#).
